By road from M2

Leave the motorway at junction 3 and follow the signs for Rochester onto the A229.

- This will take you past the new Innovation Centre building on the left.
- Straight over the HomeBase / Toys R Us roundabout and then the road becomes single lane again.
- Where this road splits with Rochester Airport on your left, turn left into Marconi Way (also signposted Park & Ride).
- Drive past the Park & Ride and up to the **BAE barriers** where you will need to report into the security personnel in the security box.
- They will sign you in, inform us and lift the barrier.
- Follow the signs round to the Innovation Centre car park and park in the DESIGNATED SPACES. If there are no spaces available, please call us for alternative parking arrangements.
- Enter the building and press the call button on the door to the back left of the reception.

By train

Rochester and Chatham stations are approx 3 miles away with taxi ranks outside. Inform the cab driver to take you to **BAE main gate next to the Park & Ride.**

By helicopter or private light aircraft

Rochester Airport is adjacent to our offices on the BAE site.
